Upon arrival to the National Park Sutjeska, the ATV vehicles are unloaded and prepared for a ride. Near the Vratari in the canyon of the Sutjeska we enter the ZELENGORA massif. Vratari is a landmark of NP Sutjeska. In the old times it was one of the most famous outposts on the Dubrovnik road where the road passing was charged and that is how Vratari ("doorman") got its name. We go round the most beautiful parts of Zelengora visiting as many as 3 lakes popularly known as "Mountain eyes". During the tours in nature we have a 40-minute break for a rich cold lunch of the region's specialties- smoked ham, cream, old cheese, white cheese, homemade bread under the metal plate, homemade smoked meat, with our spring water and brandy.

From Zelengora we ride to the other end of the mountain pass Cemerno, where we are again met by vehicles with trailers to drive us back to the Rafting Center.

During the tour it is essential to follow our guide's instructions and recommendations.
